Report of School Board.

The School Board submits the following report for the year ending February 15, 1905 :

EAST SCHOOL.—The spring term was taught by Miss Mary E. Smith of Mount Vernon, N. H. She maintained her record of the previous terms. The second and third terms were taught by Miss Harriet H. Russell, of Boston, to the entire satisfaction of the Board.

WEST SCHOOL.—This school was taught throughout the year by Miss Frances Wadleigh of this town, with her usual success. This school is lacking in numbers, and has not that stimulus which a larger school would have. This school, and also the East, were interrupted in the spring term by an epidemic of whooping cough.

SOUTH SCHOOL.—This school was taught throughout the year by Miss Edna M. Hardy of this town. She has been untiring in her efforts, with a result entirely satisfactory to the Board. At the beginning of the winter term the measles broke out in this school, and on account of the disease itself, and the *fear* of it, the attendance was very small.

The Board wishes to call the attention of the parents to the fact that, unless the scholars are regular in attendance, good progress cannot be expected.
